What does the Parent/Guardian account allow parents to do?

FLVS values parents as partners. From approving course requests to monitoring progress, the Parent/Guardian Account allows parents to have a hands-on approach with their student's academic life at FLVS.

With your Parent/Guardian Account you will have:

- 24-7 online access to submitted and/or graded assignments and your child's grade book
- Extensive access to teachers, including monthly phone calls
- Monthly progress reports emailed to parent emails
- Regular email updates from teachers

How and when is a Parent/Guardian account created?

First, the student must [complete the sign up process](#). Once the student has completed the online application, he or she will receive a student username and password. You will need the student username and password to create your Parent/Guardian account.
